Subject: Win Money - Reclamation Launches 3 New Prize Competitions  
To: Tom Fish <[Tom\\_Fish@nps.gov](mailto:Tom_Fish@nps.gov)>

Hi Tom

Please forward this message to the Director of each Cooperative Ecosystem Study Unit and ask them to distribute it broadly across their university, with a special emphasis on the Sub-Seasonal Climate Forecast Rodeo reaching all university Atmospheric Science Departments.

We are launching 3 more prize competitions. The first 2 launched this week. The Sub-Seasonal Climate Forecast Rodeo is scheduled to launch Tuesday, Dec 20th.

Learn more about each competition and how to register at the following websites:

**Arsenic Sensor - Stage 1:** <https://www.usbr.gov/research/challenges/arsenicsensor.html>

**More Water Less Concentrate - Stage**

**1:** <https://www.usbr.gov/research/challenges/morewater.html>

**Sub-Seasonal Climate Forecast Rodeo:**

<https://www.usbr.gov/research/challenges/forecastrodeo.html>

You can also download the following posters at these websites if anyone is interested in posting them around their university campus

**Hundreds of thousands in prize \$\$\$!**

[usbr.gov/research/challenges](http://usbr.gov/research/challenges)

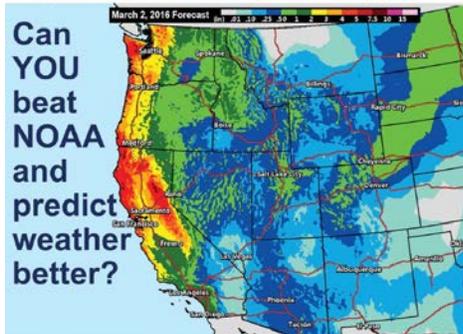

**\$50,000 in prize \$\$\$!**

[usbr.gov/research/challenges](http://usbr.gov/research/challenges)

**\$800,000 in prize \$\$\$!**

[usbr.gov/research/challenges](http://usbr.gov/research/challenges)

Thanks for Your Help

Chuck Hennig

Deputy Chief, Research and Development

Bureau of Reclamation
